

do you not believe in god well what do you believe I believe in strong faith how do you think

the earth was made if not by god apart it was a secret god died on the cross having a strong faith is one of the things that gives a long life definitely most definitely with out him you are no good its time you believed im turning the table because theres only him to turn to he died on the cross for us + was buried in 3 days + came to life again for re-----surrection imagine an image an image i dont know but why i do believe you have troubles you go to him what he looks like nobody knows you can tell god hes the one with his hat on from this day forward your life will be better better i believe it are people

### in gods image

some arent + some are find the devilsome to live a good life to live up to what people need heaven + earth definitely you will go to heaven to live permanently so you better

### get going

heavens a wonderful place its allovertheworld definitely most definitely i do i believe in the resurrection we will meet the persons who have gone before what else is there theres nothing else never think about hell just the other everyones forgiven thats the order of the day (some criminals go to hell go to hell) i don't think heaven ages people I suppose gods over it gods over it theres nothing else im happy quite
